- We ensure that parents and carers are informed at all stages of the assessment, planning, doing and reviewing of their children's education.

- We use a system of planning, implementing and reviewing individual learning plans (ILPS) and access plan for children with special educational needs/disabilities.
- We ensure that children with special educational needs/disabilities are appropriately involved at all stages of the graduated response, taking into account their levels of ability.
- We have systems in place for supporting children.
- We provide resources to implement our Special Educational Needs/disabilities Policy.
- We raise awareness of any specialism the setting has to offer.
- We ensure the effectiveness of our special educational needs/disabilities provision by collecting information from a range of sources e.g. Individual Learning Plan
